Ceigall India Limited: One of the Fastest Growing EPC Company

Note: Data for the period ending FY24 unless otherwise specified

The Road to Success

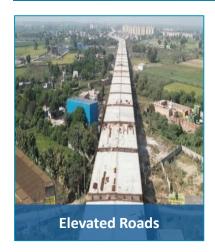

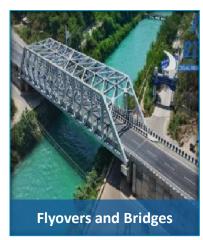

Over the last two decades, our Company has transitioned from a small construction company to an established EPC player² 2024 2022 2023 Acquired 50% stake in RK Infra to improve project execution and Allocated a contract for construction of Completed the first HAM improve bidding credentials & 16.85- kilometre elevated highway under project (Malout-Abohar Project) Awarded 1st Metro Project In Kanpur stress asset model wherein the earlier before scheduled time & Agra contractor went insolvent. 2013 Awarded projects from the Greater 2021 2002 Mohali Area Development Authority Awarded first project for construction of Incorporated as tunnel by NHAI in Jammu & Kashmir Ceigall Builder **Private Limited** 2019 Awarded Karatarpur Sahib Corridor 2018 project connecting Indo-Pak border and completed before the scheduled Awarded 5 EPC projects from 2014 completion date NHAI Awarded first four Awarded an overlay project by lane highway EPC MORTH1, which was completed project from NHAI 2008 before scheduled completion date Executed road project awarded by the Punjab Public Works Department, Ludhiana with an aggregate project cost of ₹ 62.94 million for 20.42 lane km

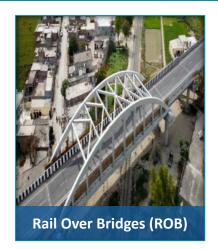

20+ years of Experience in Undertaking Specialized Structural Work

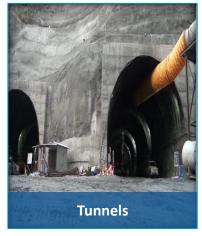

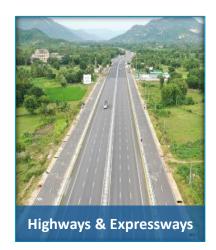

20+ years of Experience in Undertaking Specialized Structural Work

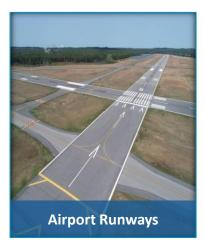

Our Landmark Projects

- Providing access from India to pilgrimage site in Pakistan
- 6 lane highway including bridges
- Won special award (completing project in challenging conditions)

- Constructed in one of the congested areas of Delhi-NCR
- One of the longest six lane elevated highway in India1
- Awarded by NHAI through a tripartite agreement as the original contractor was unable to complete this Project

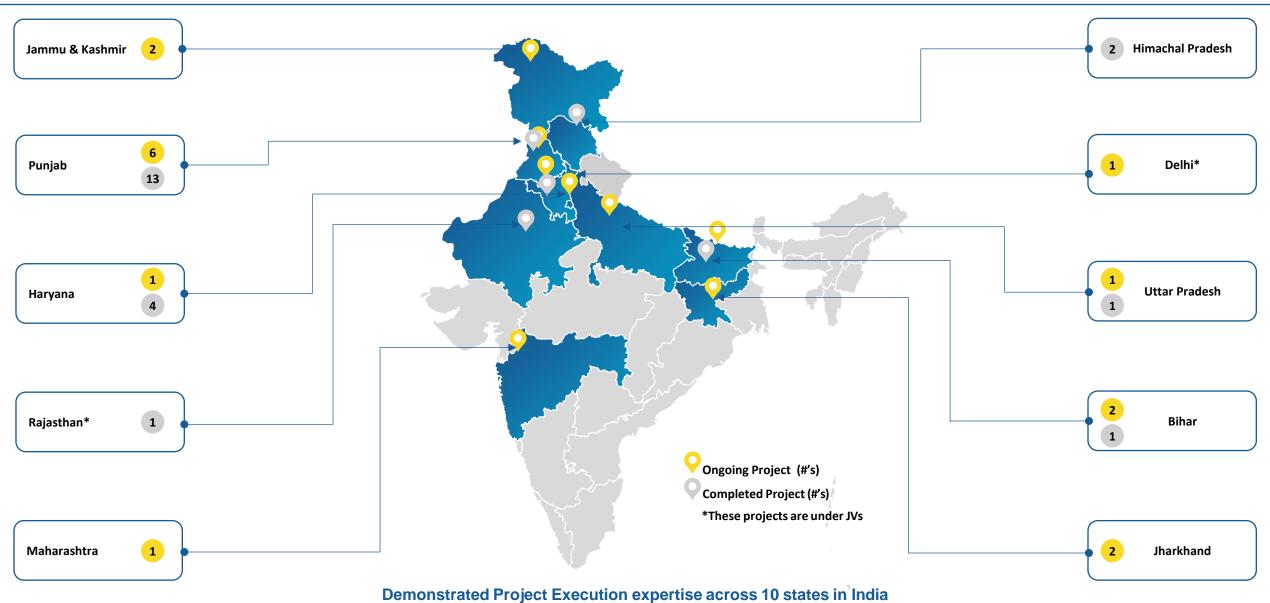

- Access controlled greenfield corridor trans Haryana road project providing connection between NH-44 and NH-08
- Project has underpasses, bridges, ROB and culverts
- Received bonus payment

- Construction of a twin tube tunnel of 6.03 km length in hilly terrain
- Project also includes slope protection and rock fall protection work in the areas prone to high rainfall in Ramban district of J&K

Project Execution Capability Across Various States

Our Key Strategies

Continue to Grow and Benefit from India's Economy & Infrastructure Growth

- Indian economy on the path of USD 10.00 trillion of GDP by Fiscal 2030¹
- Infrastructure sector continues to play a major role with 3.50% of GDP contribution¹
- Key growth driver for the infrastructure investment are roads, metro lines, water supply and sanitation sector, and airports¹

Diversification by leveraging existing capabilities

- Leverage experience in road and highway sector to grow portfolio in other sectors
- Pursue other models like build, operate and transfer to diversify offerings
- Explore opportunities in undertaking independent O&M projects
- Enter into strategic alliances/ JVs to enter in new areas where we may lack experience or expertise

Selectively expand our geographical footprint

- Started operations from Punjab and expanded to over 10 states in India
- Plan to continue diversifying and expanding presence in different states
- Strategically expand into states with economically and politically stable and have favourable geographic and climatic conditions

Continue to explore HAM opportunities

- Seek and evaluate opportunities for undertaking HAM projects
- Evaluate opportunities to undertake HAM projects in states with stable growth, and with central or multilateral funding

Continue focusing on enhancing execution efficiencies

- Adopt current industry practices
- and modern equipment for efficient project execution
- Invest in modern construction equipment for continuous and timely availability
- Attract, train and retain qualified personnel and skilled labours

National Highways Excellence Awards, 2021 by MoRTH

For outstanding work in challenging condition for Ramdas-Gurdaspur Project, including the Kartarpur-Sahib Project

Demonstrated Project Development, Execution and Operational Capabilities (2/2)

Efficient Business Model

Strategically Bidding for Projects

- Careful identification of projects and cost optimization
- Undertaking: technical surveys, feasibility studies and cost analysis

Execution Excellence

• Ensuring high quality construction during execution stage to reduce maintenance and repair costs during the O&M phase

Integrated Inventory Management System

- Efficient management of inventory and resource mobilization
- Pre-bid surveys and project site studies to fine-tuning estimations, budgets, and mobilization plans

Asset Light Model

- Rental equipment 14.01% of total equipment cost¹
- Buyback model avoids capital blockage in fixed assets
- As a result, Ceigall has better fixed asset turnover ratio as compared to its peers²

Access to Low Cost Debt

- Comfortable Credit rating of CRISIL A/Stable (Long Term) and CRISIL A1 (Short term)
- Relationships with lenders, strong financial performance and credit profile enables raising timely financing at competitive terms

Our efficient business model has facilitated us in maximizing our efficiency and increasing our profit margins

Experienced Board of Directors

Diverse, Qualified and Experienced Board of Directors with experience across various sectors

Ramneek Sehgal, Managing Director

- He is responsible for expansion, profitability, overall growth and innovation of our Company, as well as preparing and implementing business plans, managing costeffective operations and market development activities.
- Associated with Company since its incorporation
- He holds a bachelor's degree in commerce from Osmania University

Puneet Singh Narula, Whole-Time Director

- Responsible for managing overall operations.
- Previously associated with IRCON, AFCONS Pauling Joint Venture, Galfar Engineering and KCC Buildcon.
- BE Civil Engineering from Guru Nanak Engineering College and an Associate member of the Institution of Engineers

Anisha Motwani, Independent Director

- Previously associated with Max Life, DDB Mudra, Tara Sinha McCann Erickson, Euro RSCG Advertising and General Motors India
- B.Sc. and a MBA from the University of Rajasthan

Arun Goyal, Independent Director

- Previously associated with Trident Group.
- He holds a B. Com. from Punjab University and Associate member of the ICAI

Vishal Anand, Independent Director

- Previously associated with Anand Autocare Private Limited
- B.A. (Panjab University) and PGDBM (Infinity Business School)

Gurpreet Kaur,Independent Director

- Previously associated with Govt. College for Girls, Ludhiana, as an assistant professor
- B. Com and M. Com. from Panjab University, Doctor of Philosophy in commerce and management studies from Himachal Pradesh University

Strong Managerial Personnel

Led by Experienced Management Team

Bhagat Singh,Group Chief Financial Officer

- Responsible for assessing and optimizing financing options, conducting financial research and analysis, strategic decision making and raising capital
- B. Com. from Panjab
 University, Chandigarh. He is an associate member of ICAI.

Kapil Agarwal,Chief Financial Officer

- Responsible for tracking cash flow and financial planning and analysing our Company's financial strengths and weaknesses and proposing strategic directions.
- B. Com. from Maharshi
 Dayanand University. He is
 an associate of the ICAI.

Utkarsh Gupta,Company Secretary and
Compliance Officer

- Previously associated with GMR SEZ & Port Holdings Private Ltd.
- B. Com. from the Lucknow University. Associate member of ICSI

Ramesh Kumar Gupta, Chief Operating Officer

- Previously associated with Soma Enterprise Ltd.
- He holds a bachelor's degree in engineering from Gorakphur University, UP.

Ravindra Singh Sikarwar, Deputy General Manager -Procurement & Stores

- Responsible for all construction related purchase activities and site procurement activities.
- B.A. from Dr. Bhimrao
 Ambedkar University, Agra
 and a Diploma in material
 management from Devaki
 Institute of Technical and
 Management Studies.

Puneet Sharma,
Deputy General Manager –
Business Development

- Responsible for bidding, project management, project billing and planning, site operations, quantity surveying, quantity estimation and team management.

Industry Overview (1/3)

26

Continued High Investment Momentum in Key Infrastructure Sectors

Gati Shakti

• Focus: Big public investment for modern infrastructure

Major Infrastructure Development Plans in India

• Investment: Rs 750 Billion for 100 critical transport infrastructure projects

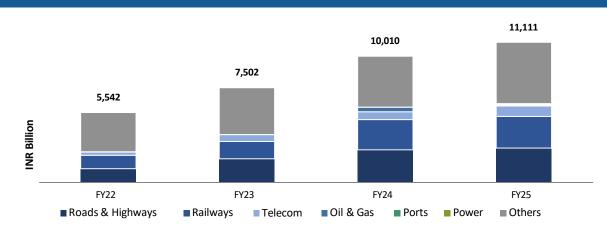

National Infrastructure Policy

- Focus: Infrastructure creation-led revival of the economy
- Investment: Rs.111 trillion for rural and urban infrastructure during FY20-25

Urbanization Schemes

- Focus: Helping the growth of urbanization through various schemes
- Progress: Smart Cities Mission, AMRUT and the PMAY(U)

Allocation to Infrastructure Sectors in Budget increasing over the years

Bharatmala Pariyojana

- Focus: Enhance road infrastructure, optimize freight and passenger movement
- Progress: 26,350 kms projects awarded, 14,783 kms constructed

Sagarmala

- Focus: Transform maritime sector, promote port-led development
- Aim: Enhance efficiency in cargo and passenger movement

National High Speed Rail Corporation

- Focus: Implementation of high-speed rail projects
- Notable Project: Mumbai-Ahmedabad High-Speed Rail corridor

Industry Overview (2/3)

Budget Allocation for MORTH (Rs. Billions)

Key drivers for Growth

NIP

Project Awarding

0&M

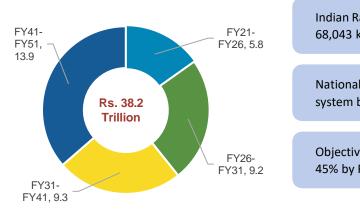

Investments

- Rs 20 trillion of investments expected to be made in the road sector during FY20-25
- NHAI pace of awarding to be ~5,000 km/year up to FY27
- 45,000+ kms of projects identified, including 5,000 kms of specialized structures
- NHAI authorized O&M-related projects worth Rs. 77.21 billion through various tenders
- Investments in roads sector is expected to grow at a CAGR of 17.2% during FY4-FY28

Railways and Metro Lines

Proposed Expenditure under NRP (Rs. Trillion)

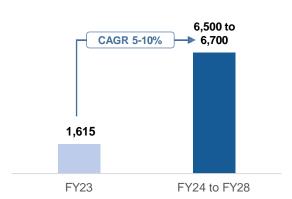

Indian Railways: 4th Largest globally 68,043 km and 7,308 stations as of FY22

National Rail Plan: 'Future Ready' railway system by FY30

Objective: To Increase share in freight to 45% by FY30 from current 26%

Trend in Investments in Metro and Smart Cities Projects (Rs, Billions)

As of Oct 2023, 874 Km of metro lines operationalized across 20 cities

Proposed: 1,700 Km across 27 cities by 2025 and subsequently to 50 cities

Government is proposing Metro Lite and Metro Neo lines suitable for smaller cities

Source: CARE Report

Industry Overview (3/3)

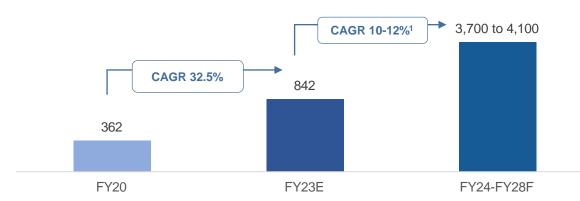

28

Road Sector

With India's increasing population, water availability and its management are projected to become major concerns

Government of India has introduced various schemes emphasizing water conservation and restoration

Investment in WSS Segment

This growth is supplemented by investments under various schemes such as Jal Jeevan Mission and Atal Mission for Rejuvenation and Urban Transformation (AMRUT)

Railways and Metro Lines

Current Status

• 149 airports carrying approximately 327.00 million passengers annually

Market Growth

- India's aviation market is expected to double by 2030.
- Domestic seat per capita is projected to grow from 0.13x to 0.26x by 2030

Key Government Initiatives

- Improving regional connectivity
- Increased participation of private players through Public Private Partnerships
- Promoting sustainability through eco-friendly technologies

Investments

 Over Rs. 250 Billion of capital expenditure is driving a wave of modernization at existing airports and the construction of greenfield projects.

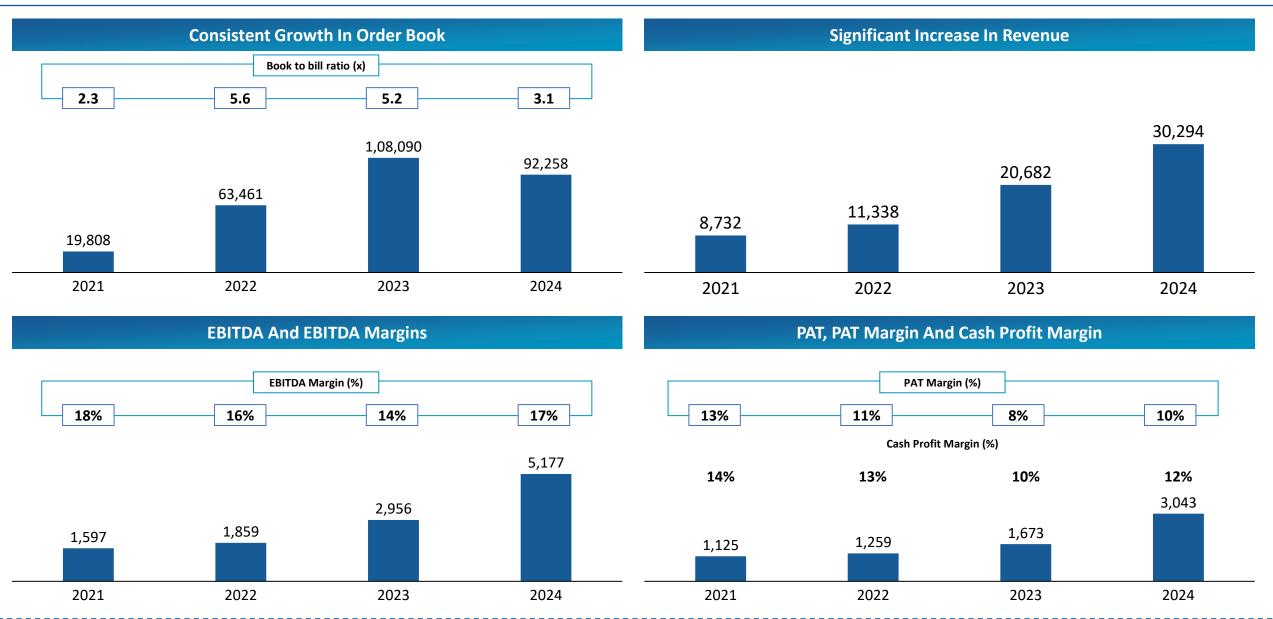

RCS-UDAN Scheme The government's ambitious RCS-UDAN scheme aims to bridge the air travel gap in underserved regions by constructing 100 new airports in the next few years
