Ceigall India Subsidiary Receives Appointed Date from NHAI for ₹981 Crore Ludhiana–Bathinda Greenfield Highway Project

The project is part of the Ludhiana–Ajmer Economic Corridor under Bharatmala Pariyojna Phase-I

National, 30 September 2025: Ceigall India Limited, one of India’s fastest-growing EPC companies, today announced that its subsidiary, Ceigall Ludhiana Bathinda Greenfield Highway Private Limited, has received letter from National Highways Authority of India (NHAI) notifying 29th September, 2025 as the “Appointed Date” for its highway development project.

The project, valued at ₹981 crore, entails the development of a 6-lane access-controlled Ludhiana–Bathinda Greenfield highway section of NH-754AD, spanning from the junction with Moga-Barnala Road (NH-703) near village Tallewal to the junction with Delhi-Katra Expressway (NE-5) near Ludhiana (Village Ballawal). Covering a stretch from km 30+300 to km 75+543, this project forms a critical link in the Ludhiana–Ajmer Economic Corridor under Bharatmala Pariyojna Phase-I (Package-2).

The project will be executed under the Hybrid Annuity Model (HAM), with a construction period of 730 days from the Appointed Date and an operation period of 15 years thereafter.

Commenting on the development, **Ramneek Sehgal, Chairman & Managing Director of Ceigall India Limited, said,** *“The appointed date marks the formal start of the Ludhiana–Bathinda Greenfield Highway project. This corridor will ease travel, boost logistics efficiency, and support regional development. At Ceigall, we remain focused on execution excellence and delivering projects that create long-term value.”*

Recently, Ceigall–JSPPPL JV secured an LoA worth ₹509.20 crore from GMADA for the development of internal roads and allied works at the Aerotropolis township project in Mohali. These projects position the company as a key contributor to building resilient connectivity and supporting large-scale regional development across India.

About Ceigall India Limited (BSE: 544223 | NSE: CEIGALL)

Ceigall India is an infrastructure engineering, procurement, and construction (EPC) company undertaking specialized structural works such as elevated roads, flyovers, bridges, railway overbridges, tunnels, highways, expressways, and runways. The principal business operations are broadly divided into EPC projects and hybrid annuity model (HAM) projects.
