Press Release

Ceigall–JSPPL JV Secures ₹509.20 Crore LOA from GMADA for Development of Mohali Township

The project entails construction of internal roads and allied works across Pockets B, C & D of Aerotropolis, S.A.S Nagar

National, 28 September 2025: Ceigall India Limited, one of India’s fastest-growing EPC companies, has announced that its joint venture with JSP Projects Pvt. Ltd. (CIL holding 80% and JSPPL 20%) has received a Letter of Award (LOA) from the Greater Mohali Area Development Authority (GMADA) for a prestigious infrastructure development project.

The contract, valued at ₹509.20 crore, covers the construction of internal roads and associated civil, public health, and electrical works in Pocket B, C & D of Aerotropolis, S.A.S Nagar in Mohali, Punjab. The project is to be executed within 24 months under an item-rate contract.

Commenting on the development, Ramneek Sehgal, Chairman & Managing Director of Ceigall India Limited, said, *“Receiving this LoA from GMADA marks an important milestone for Ceigall and underscores the trust placed in our execution capabilities. The Aerotropolis project is a transformative urban initiative, and we are proud to contribute to building resilient infrastructure that will support connectivity, growth, and sustainable urban development in the region. Through our JV with JSPPL, we are committed to delivering this project with efficiency, innovation, and uncompromising quality.”*

This LOA win highlights Ceigall India Limited’s growing presence in urban infrastructure development and reflects the company’s ability to secure and execute large-scale, high-value projects. It also strengthens Ceigall’s footprint in North India’s infrastructure landscape, reinforcing its reputation as a trusted EPC partner in the country’s growth story.

About Ceigall India Limited (BSE: 544223 | NSE: CEIGALL)

Ceigall India is an infrastructure engineering, procurement, and construction (EPC) company undertaking specialized structural works such as elevated roads, flyovers, bridges, railway overbridges, tunnels, highways, expressways, and runways. The principal business operations are broadly divided into EPC projects and hybrid annuity model (HAM) projects.
